Agenda

- Peer Assessment
- Student Response
- Collaboration and Communication
- Secure Testing
- Content Authoring

Peer Assessment

THE UNIVERSITY OF BRITISH COLUMBIA

Peer Assessment

- **Self- and peer-based assessments** within LMS

- **Peer-based assessments** done by comparing pairs of peer work side-by-side

- **Self- and peer-based assessment of work and peer feedback** (i.e. students receive feedback on their feedback)

- **Peer-based assessment of study questions** submitted by fellow students

- **Originality check** and peer feedback on assignments (PeerMark)

- **Reviewing team members** on contributions to group assignments
